How to use the offers

DragonPass Airport Business Lounges

- Download and register in the **Visa Airport Companion app**
- **The guest limit** is displayed on the home screen according to the program
- Inform the business lounge representative of your guest count and **show a QR code** from the Membership section

You can check the service availability, including guest visits, in the @VisaConcierge chatbot on Telegram – Visa Travel service → Airport Lounges.

Fast Track International

- Go to @VisaConcierge chatbot Telegram
- Select the Visa Travel service - Fast Track International
- Check the service availability and book it for yourself and your guests

Transfer from Almaty Airport

- Go to **@VisaConcierge chatbot Telegram**
- Select the **Transfer Almaty** service, check the service availability and send the required information
- Select a **convenient pickup time**
- **Meet the car** at the scheduled time and enjoy the ride

Transfer Abroad

- Go to **@VisaConcierge chatbot** Telegram
- Select the **Visa Travel** service – Airport Transfers, and check the service availability
- **Book a service** from the desired city and airport
- **Fill in the required details** and receive instructions on your phone, including pickup details and the driver's contact information

The @VisaConcierge chatbot is available on Telegram. New users will need to register first.
